Building on our successful fundraising events in 2009 and continuing to gain political strength, the Transportation Construction Industries (TCI) PAC in conjunction with Event Host, Frank Bryan Inc. has scheduled a Fundraiser Luncheon for the PAC on October 6, 2010 at The Radisson Hotel Green Tree, 101 Radisson Drive, Pittsburgh, PA.

This event's guest speaker is **Dan Onorato**, Democratic Gubernatorial Candidate and Allegheny County Executive. The Private Roundtable with Mr. Onorato will begin at 11:30 am with the Luncheon following at 12:00 pm.

This year's elections will be crucial to our efforts to educate elected officials regarding how vital a well-funded modern transportation infrastructure network is to our future economic prosperity. In 2010, we hope to raise over \$50,000 through these events which will assist us in marshalling our resources, capitalize on our industry's strength and aid our efforts to support candidates who support increased transportation funding at the state level.

While, we are currently in a pitched battle to secure funding legislation this fall, this could spill over into 2011 and leadership from elected officials will be crucial.

Your continued support is the financial foundation upon which TCI-PAC's success has been built. This is why we are asking you to consider becoming a sponsor and attending this event. Your participation and generous support as an Event Sponsor for this fundraising event would be greatly appreciated. Enclosed is a list of three sponsorship packages for your review and consideration. Through your participation, you will be helping to protect your company's interests. *If you are unable to participate as a sponsor, I encourage you to attend the Breakfast Reception as an individual. All contributions benefit the TCI-PAC.*

Please mail, fax or email your reply form by October 1st so that your name and corporation may be included and acknowledged on the Event Sponsor Sign. *Should you have any questions, please contact Maria Diesel, our Fundraising Consultant at 610-430-0271 or by email at midiesel@comcast.net.*
